Letter From ISU Credit Union's New President/CEO

Dear Members,

I am overly excited to be stepping into my new role as president and CEO of the Indiana State University Federal Credit Union (ISUFCU). Although my position has changed, my commitment to the ISUFCU, ISU and the Terre Haute community remains the same. I've been with the ISUFCU through the years of expansion and growth and with that, I am energized by the opportunity to take the lead on advancements that enhance the member experience.

Beginning as a student worker in 1982, never did I realize I was establishing professional roots. Over the years I have had the opportunity to talk to and meet with many members of the ISUFCU. Our conversations reinforce my enthusiasm for the credit union philosophy of "People Helping People" and the value that credit unions bring, globally.

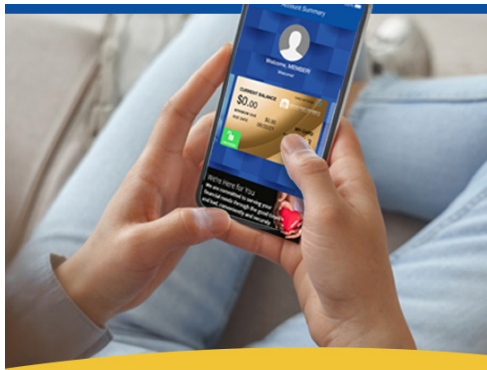

As an ISU alum and a graduate of the Credit Union National Association Management School, I am prepared to lead and be an advocate for you, the member, and bear the responsibility to provide the best financial services possible.

The future of the ISUFCU is bright. We are continuing to offer quality, progressive products and services and we are committed to strengthening relationships with you based on trust and an elevated level of member service. Our view is focused on long-term success, and we are continually fine-tuning our service offerings to align with your evolving interests and needs; however, I want to assure you that ISUFCU is stronger and more financially secure than ever and remains so even with all the challenges recent times have brought us! We appreciate your loyalty and support. Please stop in to introduce yourself or just say hi; I look forward to working with you!

All the best,

Sam Shanks
President/CEO

There's still time to skip your loan payment in January!

Is your loan in good standing at ISU Credit Union? Have you made at least six (6) consecutive loan payments? Then you may want to consider Skip-a-Pay! If you have already had one (1) payment deferred in the last 12 months, you may not qualify for the Skip-a-Pay program. For a \$25 fee, you may choose to skip your January loan payment.

You can find the form on our website or stop by to fill it out. The form should be completed by your scheduled due date.

All Skip-a-Pays are subject to approval from our Loan Department.
