CO-OP Shared Branching at Over 5,000 Branches

Personalized service is a major benefit of membership at ISU Credit Union, and you don't have to sacrifice convenience to get it. Take advantage of ISU Credit Union's shared branching services through CO-OP Shared Branch and you can access your account at any of 5,100 credit union branches nationwide, often just as if you were visiting one of our own.

The national CO-OP Shared Branch network links participating credit unions electronically, allowing credit union members to do "branch banking." This is a huge benefit to ISU Credit Union members who travel, whose workplaces don't coincide with our branch location, or who simply enjoy the convenience of expanded access. Wherever you are across the country, chances are good there's a shared branch near you.

Shared branching is yet another example of credit union membership offering the best of both worlds—individualized attention and nationwide availability. The cooperative spirit of credit unions allows them to work with each other in ways that competing banks typically do not. Visit www.co-opsharedbranch.org or download the Shared Branch Locator app for iPhone or Android to find branches nearest you. You can also look for the "CO-OP Shared Branch" logo (as shown above) on the door of any credit union branch.

At a CO-OP Shared Branch location you can make deposits, withdrawals, loan payments, receive loan advances and access VISA® or MasterCard® funds. Make sure to look up the nearest CO-OP Shared Branch location the next time you travel.

For Your Information

The Supervisory Committee has engaged Doeren Mayhew to complete the annual audit of Indiana State University Federal Credit Union. In conjunction with the audit, the auditors will select a sample of members' share and loan accounts to verify the account balances directly with the account owner by letter. If your account has been selected as part of the auditing process, you will receive a letter from Doeren Mayhew requesting information on a designated account.

If the information on the enclosed statement is NOT correct, please report the discrepancy directly to our auditors:

2018 ISU Credit Union Scholarship Recipients Announced

Indiana State University Federal Credit Union is proud to announce its scholarship winners for the 2018-2019 school year. This year's recipients are Gretchen Lance from Indiana State University (ISU), and Mia Cvengros and Rachel Luft both from South Vermillion High School. Each winner will receive a \$2,000 scholarship to be distributed over the course of one academic year. All three will be attending Indiana State University this fall. Lance is a Psychology major and will be a junior this fall. Cvengros is planning on studying English or Pre-Law, and Luft will study Elementary Education along with Special Education.

New this year, the Credit Union scholarship was offered to three students among the Credit Union's membership who are pursuing an undergraduate degree at either Indiana State University or Saint Mary-of-the-Woods College (SMWC). The scholarship is based on the students' academic achievements, school activities, and community involvement.

The Credit Union was also able to award four (4) \$250 Book Scholarships. Those winners are Alexandria Bazzani (SMWC), Sean Beaver (West Vigo High School), Kylie Fendrick (ISU), and Jonathan Staley (ISU).

This is the 11th year for the ISU Federal Credit Union Scholarship Program.
