International Credit Union Day

Thursday, October 17, 2019

Take the opportunity that day to stop by our lobby so that we may extend our appreciation for your membership!

ISU Credit Union Lobby Remodel Complete

In February 2019, we said goodbye to the look in our lobby and began construction on a remodel that would take several months to complete. We appreciate your patience with us during this time of transition. It has not always been easy, but we are pleased with the new look and hope our members are too!

Gone are the days of the traditional "teller line." Our tellers are now in a pod format with the first two pods serving our lobby members and the last pod serving our drive-thru members. Speaking of the drive-thru, we now are operating on a video system. When you pull up, you can begin your transaction by sending your items in the tube, or by pressing the call button to get started and one of our tellers will be there to assist you.

Other changes include the addition of two new offices to better serve our growing membership and a new call center that is up and running in the back portion of our lobby. You will also notice new flooring in the lobby area as well as new carpeting in our hallways.

Our lobby was in need of a facelift, and we are extremely happy with how it has turned out! If you haven't stopped by in recent months, we invite you to come in to see all of the upgrades. At ISU Credit Union, we continue to strive to offer the best products and services along with providing a level of membership focus that is unmatched. We thank you for being our member!

For Your Information

The Supervisory Committee has engaged Doeren Mayhew to complete the annual audit of Indiana State University Federal Credit Union. In conjunction with the audit, the auditors will select a sample of members' share and loan accounts to verify the account balances directly with the account owner by letter. If your account has been selected as part of the auditing process, you will receive a letter from Doeren Mayhew requesting information on a designated account.

If the information on the enclosed statement is NOT correct, please report the discrepancy directly to our auditors:
