## Did You Know?

The National Credit Union Share Insurance Fund (NCUSIF) provides all members of federally insured credit unions with \$250,000 in coverage for their single ownership accounts. These accounts include regular shares, share drafts (checking), money market accounts, and share certificates. Individuals with account balances totaling \$250,000 or less at the same insured credit union are fully insured. Coverage is also extended to Individual Retirement Accounts (IRAs) in the amount of \$250,000 on top of the account coverage listed above. Visit [nca.gov](http://nca.gov) to learn more.

## Building More...To Offer More!

If you have been to the credit union lately, you have probably noticed (or heard) some construction. Earlier this year, we started our long-awaited building expansion. Postponed since the summer of 2020, we were more than ready to begin this exciting project.

The credit union has grown in volume to the point where we no longer have the staff to meet our members' needs. With this expansion, seven new offices will be added along with a dedicated loan closing area and new board of directors' meeting space. It's very exciting, and we are eager to show it off upon completion in the coming months.

As we continue to grow, we strive towards meeting your needs and exceeding your expectations as a member of the ISU Federal Credit Union. Thank you for choosing us!

# 2022 ISU Credit Union Scholarship Recipients Announced

Indiana State University Federal Credit Union is proud to announce its scholarship winners for the 2022-2023 school year. This year's recipients are Kaitlyn David (Terre Haute South Vigo High School), Brylie Pelfrey (Indiana State University), Jennica Sutton (Riverton Parke Jr./Sr. High School), and Zachary Weir (Saint Mary-of-the-Woods College). Each winner will receive a \$2,000 scholarship to be distributed over the course of one academic year.

David is a graduate of Terre Haute South Vigo High and is currently studying Elementary Education at Indiana State University. Pelfrey is attending Indiana State University pursuing her bachelor's degree in Nursing. Sutton will attend Indiana State University this Fall to pursue her degree in Elementary Education. Weir is a current student at Saint Mary-of-the-Woods College studying Healthcare Administration.

The Credit Union continues to expand its scholarship offerings by awarding four scholarships this year. Eligibility requirements include being among the Credit Union's membership and pursuing an undergraduate degree at either Indiana State University or Saint Mary-of-the-Woods College. The scholarship is based on the students' academic achievements, school activities, and community involvement.

The Credit Union was also able to award three (3) \$250 Book Scholarships. Those winners are Keegan Beeler (West Vigo High School), Morgan Boehler (Saint Mary-of-the-Woods College) and Sadie Herring (West Vigo High School).

This is the 15th year for the Indiana State University FCU's Scholarship Program.
